5800 Seventh Avenue | Kenosha, Wisconsin 53140-4194 | 262.657.1000 | 800.292.2700 | Fax: 262.657.8455 | [www.kenoshanews.com](http://www.kenoshanews.com)

## Page Layout/Design Specialist

The media services department has an opening for a full-time page layout/design specialist to focus on newspaper layout for all of our publications. This individual will also layout obituaries, classified advertisements, schedule web advertisements, report statistical information, and design/prepare ads for print and web. Additional responsibilities include creating cover sheets, uploading page content, relay of information to press and pre-flight final pages for print.

Qualified candidates will have the ability to prioritize work assignments and thrive in a deadline driven environment. Must be skilled in PC environments and have relevant knowledge in design related programs, including Photoshop, InDesign, Illustrator, and Quark. Knowledge in Blox CMS is a plus.

Ideal candidates will have strong organizational skills and excellent verbal and written skills. This includes the ability to proof final products while handling multiple tasks under tight deadlines.

If you are interested, please email a cover letter and resume to:
